Your Name	GRAHAM RUMBLE
Course Title	INDUSTRIAL ELECTRICAL MAINTENANCE
Provider / Tutor	Dave
Date of Course	2-2-13
Your Company	ENGIE

What additional skills or knowledge have you gained and will you be able to apply them in your workplace? A better understanding of electrical drawings and circuits, which will help me during fault finding.

How could the course be improved?
(We welcome your suggestions for future courses)

Week 1 was very fast paced. Could this be altered to cover some of the subjects in greater depth. I know this wouldn't be easy because all the subjects are necessary.

What did you enjoy **most** about the course?

I enjoyed the hands on element of the course best.

What did you enjoy **least** about the course?

The intensity of week 1.
